Easy to clean and reusable

Honeycomb grille design disperses airflow evenly

Standard sized 120mm fan filter

Standard 120mm fan filters designed for use on fans and liquid cooler with multiple fans

Extra Safe

Integrated fan grille and fan filter prevent fan blades from accidentally coming in contact with users' hands or cables

Higher airflow

FF series fan filters' airflow rate can be as high as 65%, which is significantly higher than normal filters found in competing designs
