How to use the remote control

When using ● button for the first time, you will be prompted to pair the remote with the TV. Please follow the on-screen guide for paring instructions.

a. Keep the remote control and TV in 1 meter, press OK and ← button on the remote at the same time. You can use ● after activiating successfully.

b. This voice search function ● is only available for content search from certain apps.

c. Set language in the **settings** menu to your local language or official language to enhance voice search successfully.

d. When the voice search does not work, check if your remote control has been successfully paired with your TV, if the language setting is correct, if Google server is available and stable.

Installing Batteries

1. Push to open the back cover as illustrated.

2. Insert two AAA batteries according to the polarities marked on the battery case.

3. Replace the back cover as illustrated.

Warning

Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.

For the purpose of performance improvement, design and specifications are subject to change without notice.
Specifications
