

SC685P External Solid State Drive

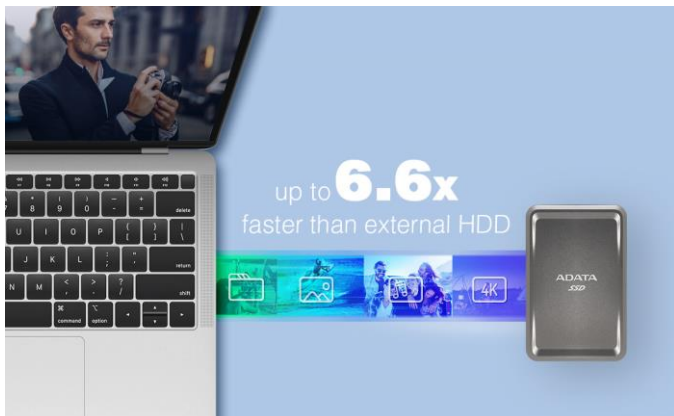

**SLIM.  
COMPACT.  
FAST.**

## SC685P External Solid State Drive

With a compact and slim form factor, the ADATA SC685P external solid state drive is as small as they come. Despite its portable size, it's big on capacity and will transfer and backup your data in no time.

### Transfer Files Without the Wait

The SC685P is up to 6.6 times faster than your typical external hard drive, giving you exceptionally speedy data transfers and backups. With this performance, you can transfer a 10GB 4K movie in just 20 seconds.

### Use Across Platforms and Devices

Plug n' play with Windows, Mac OS, and Android, and move content seamlessly between devices without limitations. Whether for work or enjoyment, the SC685P empowers you with simple connectivity. Also, you can use with game consoles for speeding up loading times.

## Goes Where You Go

The SC685P weighs only 37g and is as thin as a smartphone at just 9.4mm thick. Its slim and lightweight metallic form factor isn't just easy to carry around but looks amazing too.

## USB-C - It's Always the Right Way

The SC685P utilizes a USB-C connector, which is reversible. There's no annoying up or down like with traditional USB connectors. No guessing, just plug it in the first time, every time.

## Features

- Read/Write speed up to 530/460 MB/s
- Fast USB 3.2 Gen 2 with Type-C
- Built with advanced 3D NAND Flash
- Ultra-light and thin design
- Shock-resistant
