

# MLBS 63 4P CO 230VAC

## Specifications

ETI Code	004661653
Description	MLBS 63 4P CO 230VAC
Class name	Changeover switch motor op.
No. Of poles	4
Mounting	Panel mounted
Max. rated operational voltage (V AC)	690
Rated operational current Ie AC-21 A/B at 415V (A)	63
Rated insulation voltage (V)	800
Thermal current Ith (A)	63
Control voltage (V)	230 V AC
0

## ETIM international clasification

Classification	EC000216
Class name	Switch disconnector
Version as main switch	1
Version as maintenance-/service switch	1
Max. rated operation voltage Ue AC	415V
Rated permanent current Iu	63A
Number of poles	4
Motor drive integrated	1
Voltage release optional	
Device construction	Complete device in housing
Suitable for ground mounting	1
Type of control element	Toggle
