Fast Power on-the-go

The days of empty phone batteries have come to an end. Fast-charging and with high capacity, the Primo Powerbank 15.000 mAh is your convenient source of power when you're on-the-go. Compact in size, fully compatible via USB-A or USB-C ports, and charging three devices at once, you can now stay connected anywhere, anytime.

Portable with High Capacity

Small in size, but big in functionality, the Primo offers 15.000 mAh capacity in a compact design and slips easily into any bag. With this travel companion you can stay connected when you're out and about, fully charging your phone up to 6 times and granting you up to 69 extra hours of phone battery or 18 extra hours on your tablet. **Depends on brand/model and battery condition. For indication only

Three Devices at Once

With 2 USB-A ports and 1 USB-C port you can charge virtually any device from any brand, including Apple and Samsung. You can also charge three devices simultaneously; plug in your phone, tablet and camera alike.

Speedy Charge and Recharge

The Primo Powerbank 15.000 mAh is fast and smart: it automatically delivers the maximum power for your devices**. You can also quickly recharge the powerbank with the included micro-USB cable or via the USB-C port. The smart LED level indicator on the powerbank lets you know when it's time to recharge. **Fast-charge with maximum speed via USB-C (15W) or USB-A (10W). Charging speed varies between devices
