Highlights

20-hour runtime

With a 20-hour runtime, you can indulge in marathon viewing sessions without worrying about losing power.

30m wireless range

The 30m transmission range provides mobility and freedom to enjoy your music all around your home.

Auto on/off

Philips SHD8800 headphones turn on automatically when you put them on your head. And when you're finished watching, they will automatically power off, to ensure power doesn't go to waste.

Auto-adjustable fit

The self-adjusting lightweight hammock gives you the best fit for your head shape, while offering optimal comfort.

Cinematic sound

Philips SHD8800's 40mm drivers are acoustically tuned to deliver superior cinematic sound.

Easy charging

Place the headphones in the charging dock for easy charging.

Hi-res audio

High-resolution audio offers the best in sound performance, reproducing the quality of original studio master recordings more faithfully than 16bit/44.1kHz CD formats. Using the audio cable provided, Philips SHD8800 wireless headphones support high-resolution audio, delivering uncompromising audio quality from your preferred devices - so you can get more out of your home entertainment.

Digital clear sound

Using a 2.4 GHz digital transmission, Philips SHD8800 headphones prevent compression and data loss. This delivers smooth acoustics and minimal data loss for crystal clear sound.
