Highlights

In-line mic and pick up botton

In-line mic and pick up botton for easy conversation

Efficient 8.6mm drivers

Small and efficient 8.6mm speaker drivers deliver clear sound for enhanced listening enjoyment on the go.

Choice of 3 pairs of ear caps

Ear caps come in a choice of 3 sizes – small, medium and large – for a personalized and perfect fit.

Neodymium speaker drivers

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

Oval sound tubes

Your in-ear headphones are precisely designed to fit any ear. Its ergonomic oval sound tube and curved architecture ensure an optimized, secure and comfortable fit – always.

Perfect in-ear seal

The Super-small speaker drivers of these Philips earphones fit comfortably inside the ear and thanks to the exceptionally snug fit the outside noise is sealed out for high-intensity listening experience.
