

Polaroid

Box Contents:

- 1 x Polaroid Root Play 3D Pen and Holder
- 1 x 1.5m USB Cable
- 3 x 15g (5m) Wood Filament Packs
- 1 x Quick Start Guide
- 1 x Trace App Screen Protector (USB Power Adapter not included)

Key Features:

- Create in real wood by building your own freehand 3D models including free-drawing in the air
- Choose from three different wood finishes for fantastic and unique effects for your 3D models!
- Use the latest *Polaroid* Play Trace App with great new functionality to stencil your own photographs and then bring them to life in 3D
- Alternatively trace existing or imported templates and then assemble the parts together, again using the pen, to create a 3D model
- Create your own 3D Pen community by sharing your designs and models via the Polaroid Play Trace App
- Select manual or automatic extrusion
- Features multiple print speed settings

CREATE IN
REAL WOOD!
