## Fast Power on-the-go

The days of empty phone batteries have come to an end. Fast-charging, the Trust Primo Powerbank 10.000 mAh is your convenient source of power when you're on-the-go. Compact in size, fully compatible via USB-A or USB-C ports, and charging three devices at once, you can now stay connected anywhere, anytime.

## Portable with High Capacity

Small in size, but big in functionality, the Primo offers 10.000 mAh capacity in a compact design and slips easily into any bag. With this travel companion you can stay connected when you're out and about, fully charging your phone up to 4 times and granting you up to 46 extra hours of phone battery or 12 extra hours on your tablet. \*\*Depends on brand/model and battery condition. For indication only

## Three Devices at Once

With 2 USB-A ports and 1 USB-C port you can charge virtually any device from any brand, including Apple and Samsung. You can also charge three devices simultaneously; plug in your phone, tablet and camera alike.

## Speedy Charge and Recharge

The Trust Primo Powerbank 10.000 mAh is fast and smart: it automatically delivers the maximum power for your devices\*\*. You can also quickly recharge the powerbank with the included micro-USB cable or via the USB-C port. The smart LED level indicator on the powerbank lets you know when it's time to recharge. \*\*Fast-charge with maximum speed via USB-C (15W) or USB-A (12W). Charging speed varies between devices
